

Empathy Map

User Says

- "I want a workout plan suitable for my goal."
- "I want a simple plan that I can follow."
- "I want to change my plan if it is difficult."

User Thinks

- Which exercises are suitable for me?
- How many days should I work out?
- What should I eat or do for recovery?
- Can the plan be changed according to my feedback?

User Does

- enters personal information.
- Selects fitness goal.
- Selects workout intensity.
- Generates a workout plan.
- Provides feedback.

User Feels

- Wants a personalized fitness experience.
- Wants a simple and structured plan.
- Wants flexibility to modify the plan.
